

## Student Learning Outcomes for the AS Visual Arts

Students will demonstrate:

- An ability to express original ideas in a visual fashion.
- An ability to use a variety of techniques specific to the art medium.
- An ability to exhibit artwork following standard conventions.
- An awareness of historical and/or contemporary artists or artworks.

## Purpose

This advising sheet lists all of the program requirements for the AS Visual Arts and AS Visual Communications. This information applies to students enrolled in the 2012/2013, 2013/2014, 2014/2015 and 2015/2016 course catalogs. Please refer to the Lyndon State College online catalog for an official listing of all graduation policies and degree requirements.

## For More Information

All Visual Arts degree programs and portfolios of our students' artwork can be viewed on our website:
